Conditions for Premature Withdrawal of Fixed Deposits

Deposits with original maturity up to 1 year

- No interest is payable to you if the deposit is withdrawn before expiry of 1 month of opening the deposit.
- A flat 1% withdrawal fee on the interest will be charged to you. The same will be deducted from the applicable rate for the tenor. In case of negative interest after penalty, no interest will be paid on the deposit.
- If the deposit is withdrawn between two tenors offered by the Hong Kong branch, the interest rate applicable will be lower rate of the two slabs / tenors (as existing at the time of opening the deposit sought to be broken) less the withdrawal charges.
- The interest on the deposit shall be accrued for only the period till the original maturity date.

Deposits with original maturity above 1 year

- Premature withdrawal fee would depend on the market condition and cost of replacing the deposit and shall be stipulated by the Bank at the time of premature withdrawal.
- No principal protection would be provided on such deposits if the deposits are withdrawn within 1 year of the deposit being placed.
- In case the deposits are prematurely withdrawn after 1 year of the deposit being placed, a premature withdrawal fee, as stipulated by the Bank at the time of withdrawal, shall be levied, subject to protection of principal.
- If the deposit is withdrawn between two tenors offered by the Hong Kong branch, the interest rate applicable will be lower rate of the two slabs / tenors (as existing at the time of opening the deposit sought to be broken) less the withdrawal charges.
- The interest on the deposit shall be accrued for only the period till the original maturity date.
- Please note that partial withdrawal of deposits is not allowed. You have to break your deposit in full.

Note: The fees and charges enumerated above are subject to change. HDFC BANK LIMITED, Hong Kong Branch (the “Bank”) reserves the right to introduce charges not included in this Schedule of Charges.
