The Bank will decide the rate of interest payable on these accounts from time to time. Unless specified otherwise, the Bank will apply interest on these accounts on a monthly / quarterly compounding of interest in these accounts. Payment of interest would be subject to taxes applicable, if any.

Variants:

The Bank may from time to time at its discretion include variants of the Current accounts described above. It may also choose to withdraw some of the features or add new features to existing products. However in case of withdrawal of the existing scheme, the Bank will arrange to give a notice of 30 days to the customer by way of a separate letter addressed to the customer to his registered mailing address/by email/notice in the Bank's website to all customers, requesting them to move over to another scheme. In case the customer does not want to move to another scheme, then his account can be closed without charges on surrender of the unused cheque leaves and request for the same.

Frequent return of cheques/non-maintenance of minimum balance:

The Bank may at its discretion, stop issue of cheques to its customers, call for the unused cheques or close the account in case there are cases of non availability of sufficient funds to meet the cheques/ payment instructions or the minimum stipulated balance is not maintained.

Charges:

For all services of the Bank is given in the consolidated charges list. The Bank may at its discretion increase/decrease charges with or without notice to the account holders. However in case of increase in charges, the Bank will arrange to give a notice to thirty days to the customer by way of a separate letter addressed to the customer to his registered mailing address/by email/notice in the Bank's website to all the customers. The Bank may charge different rates for different customers at its discretion.

Closure of Account:

The account may be closed at the request of the customer, on surrendering the unused cheque leaves. The electronic Banking facility will be withdrawn on closure of the account. The Bank may at its discretion levy charges for closure of the account.

Time Deposit Accounts

The Bank offers fixed deposits with fixed rate of interest. The deposits can be accepted for payment of a periodical interest or the interest can be capitalized to earn cumulative interest.

Opening of an account:

An account can be opened with the Bank by filling out the necessary application form along with other enclosures required by the Bank.

Minimum Deposit amount:

The Bank may stipulate a minimum deposit amount that can be made from time to time.

Period of deposit:

The minimum period of a deposit will be 1 month and the maximum period will be 5 years.

Payment of Interest:

- Interest payout for Time Deposit can be paid monthly, quarterly, or semi annually. If a fixed deposit matures on a non-banking day for the Bank or the country of the deposit currency, the deposit shall mature on the next working day for both the Bank and the country of deposit currency. However, the interest on the deposit shall be paid till the original maturity date only. All deposits of tenure 12 months or less, interest will be calculated on a simple interest basis.
- Deposits of tenure more than 12 months, interest would be compounded annually.
- Bank, at its discretion, from time to time may adopt any method of applying interest.

Premature Closure:

In case the customer would wish to close his deposit before contracted maturity, the Bank may at its discretion permit him to do so. Premature Liquidation will not be allowed on Non - Withdrawable Deposit.

In such cases there would be a penalty for premature closure as may be decided by the Bank. The Bank at its discretion:

- i. Pay no interest on the deposit
- ii. Pay interest rate at a reduced rate
- iii. Pay interest for the actual period of the deposit at the contracted rate and levy a fee as may be determined by the Bank on a case-to-case basis.
- iv. Pay interest applicable to the deposit for the period run prevailing at the date of original contract less a penalty of a minimum of 0.25% across any maturity and amount. The decision of the Bank shall be final and binding in all cases.
- v. If the deposit is withdrawn between two tenors offered by the Hong Kong branch, the interest rate applicable will be lower rate of the two slabs/tenors (as existing at the time of opening the deposits sought to be broken) less the withdrawal charges.
- vi. Partial withdrawals of deposits is not allowed.

Variants:

The Bank may from time to time at its discretion include variants of the Fixed deposit account / deposit accounts described above. It may also choose to withdraw some

of the features or add new features to existing products. However in case of existing deposits the same terms and conditions governing the deposit would continue.

Shifting to another variant/scheme:

In case a customer decides to shift to another variant of a deposit before maturity of the earlier deposit, the Bank may at its discretion waive penal charges/interest and transfer the maturity proceeds to the new scheme. Interest would be paid on the existing deposit for the period run, at the rate prevailing as on the date of original contract for the said maturity. In such cases the remaining maturity of the deposit so reinvested should be equal to or in excess of the original contracted period.

Charges:

There would be no charges for acceptance of the deposit/remittance effected on closure as per instructions by the Bank. However all charges in respect of correspondent/agency Banks involved if any would be borne by the customer. In case of premature closure of the deposit remittance charges and / or out of pocket expenses would be collected for remitting the deposit to another Bank. This will be in addition to Agency Bank charges, if any. In respect of periodical interest payments out of pocket expenses/agency bank charges would be borne by the customer.

Foreign Currency Deposits:

By placing a foreign currency deposit with the bank the customer acknowledges that: There is an inherent foreign exchange rate risk in foreign currency deposits. In particular, a decline in the foreign currency's exchange rate relative to their home currency or any other currency of choice will reduce or eliminate return or earnings in the foreign currency deposits. Any funds debited or credited from the accounts may diminish in value due to taxes, depreciation or become unavailable due to restrictions arising for reason whatsoever on convertibility, requisitions, involuntary transfers, restraints of character, exercise of governmental or military or military powers, war, strikes or other cause beyond the Bank's reasonable control. The Customer had studied the currency market carefully and confirms that the foreign currency deposit(s) in the accounts are suitable in the light of his financial position and investment objectives.
